Creation Museum & Ark Encounter - Details

Reich's EC Church (September 15-18, 2026)

Day 1 = LeMoyne House

Washington, PA - Built in 1812, this Greek Revival masterpiece was the home of physician Francis Julius LeMoyne, who, despite the strict Fugitive Slave Law of 1850, risked his personal freedom and fortune to do what he knew was morally right - take a stand against the institution of slavery.

Day 2 = Creation Museum

Petersburg, KY - This 75,000-square-foot facility allows you to experience earth history as God has revealed it in the Bible. Nearly 150 exhibits feature fearsome animatronic dinosaurs, talking heroes of the faith, and professional displays that honor God's Word. The museum also has a 1,000-seat auditorium (for concerts, films, theatrical productions, and expert speakers), a 4D special effects theater, state-of-the-art planetarium, zoo, gardens, nature trails, zip lines, and lots more! **The "Created Cosmos" planetarium show is included in your price!**

Day 3 = Ark Encounter

Williamstown, KY - Spanning 510 feet long, 85 feet wide, and 51 feet high, this modern engineering marvel amazes visitors young and old! You'll tour three massive decks filled with scores of world-class exhibits that allow you to experience what Noah's life may have been like. Also on property, don't miss the 2,500 seat auditorium (for concerts, films, theatrical productions, and expert speakers), the virtual reality experience, carousel, zoo, Noah's village, zip lines, and more!

Day 4 = Flight 93 Memorial

Shanksville, PA - On Tuesday morning, September 11, 2001, the US came under attack when four commercial airliners were hijacked and used to strike targets on the ground. Nearly 3,000 people tragically lost their lives. Because of the actions of the 40 passengers and crew aboard one of the planes, Flight 93, the attack on the US Capitol was thwarted. Experience the Visitor's Center, Memorial Plaza, and Tower of Voices.
